INDIAN CHRISTIAN DAY

Christians have lived in India for nearly 2000 years, contrary to the recent narrative and propaganda being spread, that Christians are followers of a Western religion.

Launched on July 3, 2021, Indian Christian Day / Yeshu Bhakti Divas is an annual day to recognize the heritage of Christianity in India and celebrate the many contributions to education, healthcare, literacy, culture and social development.

July 3 is the traditional martyrdom day of St. Thomas, the Apostle of India, who arrived to Kerala, South India in 52 AD and was martyred near Chennai in 72 AD.

Celebrate Indian Christian Day with acts of love and kindness to society and festivities of music & Indian cultural programs.
